### Who benefits from the motor vehicle insurance for passenger cars and vans?

Owners of passenger cars and vans.

### Benefits

The following benefits may be agreed in the motor vehicle insurance.

#### Third party liability insurance (mandatory)

Liability insurance grants insured parties insurance coverage up to a maximum of 100 million Swiss francs per incident. Zurich covers property damage and bodily injuries inflicted on others with the insured vehicle. It also protects you against unfounded claims made by third parties (passive legal protection) and pays legitimate claims.

#### Coverage for gross negligence

In the event of a liability or collision claim brought about by gross negligence, Zurich will waive reclaiming the insurance benefits from the party responsible for the accident or reducing those for the injured party. This excludes damages caused when in a state of inebriation or when unfit to drive or due to a particularly flagrant disregard of the speed limit, hazardous overtaking or participation in an illegal race with motor vehicles.

### Accidental damage insurance

Choose between comprehensive cover, partial casco or individual coverage modules.

#### Collision

Collision covers damage due to sudden, violent external influences, including in particular damage caused by impact, collision, rollover, falling or sinking. Best of all, this damage is covered even if it occurs in connection with operating damage, breakage or damage due to wear and tear. It also covers damage caused by willful acts committed by third parties and vehicle buckling during tilting, loading or unloading, even without external influence.

#### Partial casco

Partial casco covers your vehicle against theft, fire, damage caused by natural hazards (storm, hail, floods, inundation, rockslides, rock fall, landslides, avalanches, snow slides, falling ice, snow pressure, falling aircraft or parts thereof), glass breakage, collisions with animals, vandalism and damage caused by martens or rodents.
